Dear Mr. Collier: As per our conversation of a few days past, I am sending you as near as I can a complete record of my branch of the Collier family. I do not suppose that you would want to use all of it but you can use such as you desire; and I hope that some of it may be of service to you.

I will be glad to serve you in any way I can in getting up data for your book.

Thanking you for the courtesy of furnishing the extracts and wishing you much success, I am

Yours truly
